President's Letter

The village show is a British tradition dating to the 1760s, originally created to educate rural workers, share improved agricultural techniques, and promote tidy front gardens. By the 19th century, it had evolved into the familiar format, encouraged by landowners to enhance tenants' lives with competitions for produce, livestock, and homemade creations. While many shows faded in the late 20th century, the Sturton & Stow Agricultural and Horticultural Show is thriving, now in its 138th year, a remarkable achievement!

This success rests on year-round work by the committee, who tackle extensive red tape before shaping the show we enjoy. They keep competitions and exhibitions relevant, while adding inventive touches, the Topsy Turnip beer for the 135th show in 2023 being a standout example. On the day, volunteers, the school and youth club for the venue, medical support, and judges are all essential to a smooth, enjoyable event.

Crucially, the show endures thanks to its entrants: 214 classes are planned for 2026. With even a conservative average of five entries per class, many draw more; that's over 1,000 homegrown, homemade, and handcrafted exhibits, not counting unjudged displays that enrich the atmosphere. It remains a rare annual event that truly includes everyone, from the youngest villagers to the oldest, anyone can be a winner.

I'm delighted to serve as President for 2026. The Gray family has lived here since 1975; my husband fondly remembers the fair opposite the school and still laments its absence. As we told our children, "it's not the winning, it's the taking part." Let's give the judges even more to do with a record number of entries this year.

With sincere thanks to everyone who makes this show fun, competitive, and above all a community celebration.

Alice Gray President, 2026

'The Voice'

By Shel Silverstein

There is a voice inside of you
That whispers all day long,
"I feel that this is right for me,
I know that *this* is wrong."
No teacher, preacher, parent, friend
Or wise man can decide
What's right for you—just listen to
The voice that speaks inside

(Classes 177 & 178)**

'Choose Respect'

I Choose
You Choose
We Choose Respect
Choose Respect, it's Fundamental,
Essential in life and elemental,
Without it, relationships can be temperamental
Which can end up being detrimental

Choose to respect everyone's perspective,
A difference in opinion, that's our prerogative.
Listen to others and be appreciative,
Rather than inconsiderate and argumentative

Choose to respect the disrespectful,
Don't allow them to feel powerful
Don't fight back with words that are hurtful
Or act impulsively and end up regretful.

Choose to respect the disrespected
Respect is something that is reflected.
Respect can prevent someone from feeling rejected,
Respect is a cycle that is interconnected

Choose to make respect an easy decision

I Choose
You Choose
We choose Respect

The 5 Step Guide to entering the show

1

Read through the class descriptions and show rules and select the class you would like to enter. For example, you might be a keen baker (see domestic cookery pg 14) or photographer (pg 18) or maybe you're growing a huge marrow! (class 18-21, pg 10). You can enter as many different classes as you like, but some classes have maximum entries per class, and this will be shown in the schedule.

2

Go to the form on pg 21 of the schedule, or you can use the form on the website (www.sturtonandstowshow.com). Copies are also available from the Show secretary. Enter details for the class number you are entering, and entry fee (30p per entry, children enter free). Please include a total of all entry fees in the space below the table. **Please state children's age/school on entry forms**

3

Entry forms must be sent either by post (address on form) or email (sturtonandstowshow@gmail.com) to arrive by Thursday 1st October. Entry forms can also be submitted, and fees paid, in person 6.30pm-8.30pm on Wednesday 30th September (Sturton by Stow Village Hall). **Sorry, no entry forms can be accepted on the day of the show!!!**

4

The next step is to place your exhibit in the correct position at the show. This can be done the evening before (8.00pm-8.45pm) or the morning of the show (7.30-10am). You will need your entry card, which was given to you if you entered in person at the village hall, or it can be collected at the show venue if you entered by email or post. If entering a children's class that stipulates "age to be stated" please add the child's age to the entry card. There will be stewards and committee members around to help with this. **Remember to double check the rules for your class, as any entries not compliant cannot be judged!**

5

Sit back relax and enjoy the show. Judging will have been completed by the time the show opens at 1.30pm, so you can return to your entry to see how you, and friends and family, have done. Prize cards will be placed by your entry as applicable. Prizes can be collected from show at 4.30pm (please bring your prize cards).
